

Dear Friends and Neighbors,

Welcome to Demarest, Adam Sandler and Netflix - This week Demarest hosted **filming of Netflix's Happy Gilmore 2**. **Happy Gilmore 2** is an upcoming American sports comedy film and is the long-awaited sequel to **Happy Gilmore**. **Adam Sandler, Christopher McDonald, and Julie Bowen** reprise their roles from the original film. We would like to thank Adam Sandler and the entire cast and crew for choosing the **Alpine Country Club** in Demarest to star in the movie. I had the opportunity to speak with Adam and despite his fame, he was a warm, friendly guy, and could have been your next-door neighbor. He was also very complimentary of our town and the welcome that he, the entire cast and crew received from the Alpine Country Club and our town. **No spoilers**, but I was privileged to see some very funny scenes filmed and I look forward to seeing them as part of the final film with Demarest and the Alpine Country Club as the set! My thanks to the **Demarest Police Department** for their hard work and professionalism during the shoot days and set up days providing security and traffic control and ensuring a smooth operation.

Lightning Detector False Alarms Resolved. I would also like to thank **the Alpine Country Club manager, Andreas Plaitis**, for his quick resolution when it was discovered that a lightning detector on their property was malfunctioning and sounding an alarm late each night. The issue was brought to the Borough's attention by a resident and our **Police Department** searched for the area from which the alarm was created. They informed us that it was from the country club property, and we contacted **Andreas, a real gentleman**, who immediately addressed and resolved the issue. I would like to thank **Andreas and the country club** for their prompt response in locating the specific source of the nightly alarm and promptly resolving the disturbance.
