

Friends and neighbors,

The Borough is aware that our telephone system is old and not functioning properly , which has created frustration for our residents and employees alike. Attempts to correct the issues with the existing equipment were not successful. **Accordingly, we are in the process of installing new telephone equipment** and greatly appreciate your continued patience while the new system is installed. We apologize for any inconvenience and frustration caused by the defective equipment. We anticipate the new telephone system to be up and running in the next month. That schedule, of course, depends on some cooperation from Verizon, so let's keep our fingers crossed that the process is as smooth as a process with a phone company can be! Stay tuned here for updates. Thank you.

Yom HaShoah

April 24 is Yom HaShoah (Israeli Holocaust Remembrance Day) . This year is especially meaningful for our Israeli-American and Jewish neighbors because it marks the 80th anniversary of the Warsaw Ghetto Uprising and the end of the Holocaust.

On April 21, at the Tenafly Middle School, **Tova Friedman**, a child survivor of Auschwitz, will share her inspiring story of survival, resilience, hope and triumph. Tova was only five years old when she was imprisoned in Auschwitz. Meeting a Holocaust survivor who personally endured the horrors of this dark chapter in history will have a profound and lasting impact. ***This is a special opportunity to hear firsthand from someone who survived Auschwitz and can share their experience.***

Date: April 21st
